

DOT MATRIX PRINTER
Epson LX-50

EPSON
EXCEED YOUR VISION

**A compact printer for
flexible wide-receipt printing**

**IMAGING
INNOVATION**

Designed to save precious retail space, the Epson LX-50 offers a smaller footprint and the flexibility of wider print options unlike traditional receipt printers. With receipts or prescription slips of up to 6" wide, you can now show more information of the transactions than before. Epson's constant innovations in retail printing solutions give you the best performing printer that suits your business requirements.

- **Wider receipt printing offers more details**
Allow more details of transactions in a single receipt, with the flexibility of printing wider receipts of up to 6" fanfold / rollpaper.
- **Smaller footprint saves counter space**
The compact design of only 275mm (10.83") wide allows easy installation even on counters with limited space.
- **Efficient processing time**
High-speed processing with 64KB input data buffer reduces waiting time.
